

Literacy Pages Wiki Assignment

Required Information

This portion of the Wiki assignment builds on the Wiki you created in the first step of the project. Note: the guidelines surrounding the goals, rationale, sources and documentation, and evaluation criteria remain in effect for this part of the task.

Specific Details

- ☐ Choose one children's book (any genre, including picture storybook) and one verse novel
- ☐ Create a section in your Wiki devoted to the verse novel and one devoted to the children's book
- ☐ Include the following information for each of the two selections in the appropriate Wiki sections:
 - Cover picture of book and complete bibliographic citation
 - Brief summary (one paragraph) of selection
 - Cyber-hunt on author
 - Technology strategy examples; choose from the box of choices provided below (3 for the verse novel & 3 for the children's book)
 - Short paper (2 – 3 pages) explaining the purpose of each strategy developed (comprehension reinforcement, vocabulary development, etc.), identification of reading stage (pre, during, post) each strategy covers, and a list of 5 text-to-text connections (i.e. "if you liked this novel, you may also enjoy. . .")
 - Chart of pros/cons for strategies implementation in classroom
